Map Information:

This map displays drug possession charges per 10,000 persons by county. In 2013 there were 31,007 charges for drug possession across the state. Summit (97.7), Erie (86.6) and Montgomery (77.2) counties had the highest rates of drug possession charges per 10,000 persons. Putnam (0.6), Knox (1.0) and Fulton (1.1) counties had the lowest rates of drug possession charges per 10,000 persons. Six counties reported no charges for drug possession, likely the result of not submitting possession data in 2013.

Note: Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Boards have black borders, and counties have white borders. Borders are black in cases where ADAMHS boards and counties have the same borders.
