

IMPLEMENTATION OF PROJECT DAWN

(DEATHS AVOIDED WITH NALOXONE)

IN OHIO'S REGIONAL PSYCHIATRIC HOSPITALS

PRESENTERS:

- Muhammad Momen, MD, Dip MH, NBH Medical Director, Clinical Senior Instructor, Department of Psychiatry, CWRU School of Medicine
- Joan Papp, MD, FACEP, Clinical Senior Instructor, CWRU School of Medicine
- Alan Pires, MS, NBH Director of Pharmacy
- Kim Patton, LISW-S, LICDC, NBH Director of Social Work

WHERE: NBH McKee Auditorium, Broadcast Statewide

WHEN: Friday, February 14, 2014, from 10:00 am - Noon

LEARNING OBJECTIVES:

1. Describe how nasal naloxone reverses opioid overdoses and list the proper way to utilize the Project DAWN kit.
2. Review the current implementation and preliminary data of Project DAWN at Northcoast Behavioral Healthcare.
3. Discuss pending legislation at the state level that will change the way nasal naloxone programs are administered in Ohio.
