

TREATING RECENT TRAUMA WITH EMDR THERAPY

What participants have said about Deb's Trainings:

"This is the first training I have attended where I have had more energy at the end of the training than at the beginning!"

"Deb is very creative, engaging and knowledgeable."

"Clear, professional and caring."

Deborah Kennard, MS
Workshop Trainer

FULCARE BEHAVIORAL HEALTH/
FULTON COUNTY HEALTH CENTER

725 S. SHOOP ST.

WAUSEON, OH

APRIL 10, 2015 9:00-4:30

This 6 training is EMDRIA Approved for 6 hours of EMDRIA CEU's

- Using the 8 phases of the EMDR protocol with Recent/Acute Trauma
- Learn effective assessment tools for recent trauma
- Identification of trauma symptoms and specific resources for client preparation
- Specific Recent trauma protocols

In this workshop you will have an opportunity to learn and practice using EMDR Therapy for clients who have experienced Recent Trauma. Deb Kennard balances the heaviness of trauma training by attuning to the participants in a way that is engaging and FUN!

Deb Kennard is an EMDR Trainer, Approved Consultant and Clinician with 20 years of experience using EMDR Therapy. She has been a Trainer for more than 60 trainings. She has recently developed a New EMDRIA approved EMDR Therapy Basic Training Program.
