

# The G.A.P. Network

## The G.A.P. Network Summit

December 2-3, 2016

The DoubleTree by Hilton Columbus-Worthington

Every day, accidental drug overdoses claim eight Ohioans, and those reeling from the loss of a loved one often can't find a place to turn.

The G.A.P. Network provides that place to turn, and the Summit connects families and community members to experts and resources.

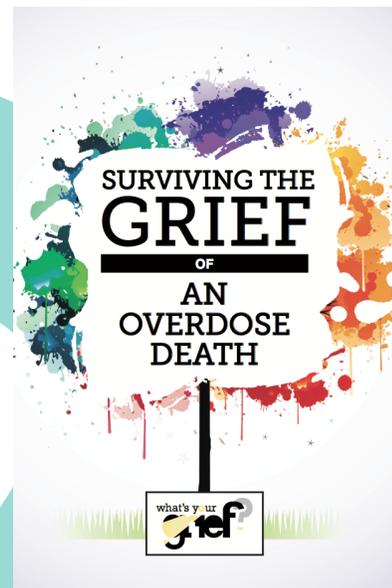

The Summit will cover:

- Providing peer grief support
- Honoring lost loved ones
- Community crisis responses
- The impact of drug courts in Ohio

### Providing Good Grief Support

Eleanor Hayley, MS, & Litsa Williams, LGSW

This session takes an engaging and creative approach to providing attendees with information about grief, ranging from dispelling myths and misconceptions about grief to providing quality grief support.
