

# PAUSE

for parents, Play for kids

## WEBINAR

Join us for a Webinar (a web-based seminar) to learn all about the PAUSE volunteer-driven respite model for those who care for children with special needs... and see if it's a fit for your community.

Learn how a vision passionately casted can produce a model well sustained. How did it all begin? After almost 10 months in, what would we do differently? What have been our primary learnings in the process? How do you train and keep volunteers? What has been our impact? What are families saying? How do you gain community support? How

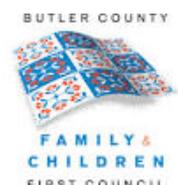

do you sustain a model of this kind? Join us for the answers to all these questions and more. We are thankful for the way the community has come around this idea and brought it to fruition, and we are honored to share it all in this way to help "pay it forward". After the webinar, choose to receive consultation to learn how to build the PAUSE plane and fly it in your

circle of influence...specific to your community's needs and desires.

For more information, contact Jen Powers, Family Connections Coordinator, at [powersj@bcesc.org](mailto:powersj@bcesc.org).
