**Medical Leave for Students Experiencing
Suicidal Ideation-Title II Clarifications: Clinical,
Administrative, & Legal Perspectives**

May 2, 2016

1:00pm – 3:00pm Eastern Time

Many administrators believe that Title II limits the ability of schools to remove students with suicidal ideation or suicidal behaviors. Presented live from the Garrett Lee Smith Campus Suicide Prevention Grantee Meeting, a panel of campus health administration and policy experts will discuss the ramifications of Title II and the Americans with Disabilities Act, in general; and clarify the range of options for colleges and universities in the management of suicidal crises.
