REQUEST FOR PROPOSAL (RFP)
FY2016 Strong Families, Safe Communities Grant:
Helping Ohio's Children & Youth in Crisis
Request for Proposal Issued April 27, 2015

Proposals must be submitted by 5:00 p.m. on Friday May 29th

Documents may be found at: <http://mha.ohio.gov/Default.aspx?tabid=725>

I. Funding Opportunity

The Ohio Departments of Developmental Disabilities and Mental Health and Addiction Services are seeking collaborative community proposals to establish treatment models of care that focus on crisis stabilization for children and youth with intensive needs.

This is the third round of funding aimed at serving Ohio's youth in crisis through local, community-driven solutions. The Departments funded a total of 40 projects in state fiscal years 2014-15. For the 2016-17 state fiscal years, proposals are welcomed from previous responders as well as new collaborative groups. All proposals must meet the guidelines and requirements of this RFP.

II. Background and Purpose:

Governor Kasich and the State of Ohio are committed to improving care coordination and providing support for families with children in crisis who present a risk to themselves, their families, or others because of mental illness or a developmental disability. Many children who are at risk are not engaged in treatment programs and may not be known to the community until a crisis unfolds. Care coordination and targeted crisis intervention services can quickly stabilize a child's health. Support for these families in need will reduce risk of harm and help the family remain together.

A. Eligible Applicants

Applicants must be multi-county collaborations that include representation from Mental Health and Developmental Disability provider organizations. No single county proposals will be considered.

Applicants must demonstrate the capacity to ramp up proposed projects quickly and begin services in a short time frame.

B. Fund Source and Requirements

1. **Period of Funding:** Proposed services will be for a one year period from July 1, 2015 through June 30, 2016 with a potential second year of funding for services for the period of July 1, 2016 through June 30, 2017, depending on availability of funding and progress toward objectives.
2. **Amount of Funding Available:** Proposals should not exceed \$300,000 for a

one-year period collaborative project. Grantees may submit either a one-year or two year proposal. Grantees will be reimbursed based on actual allowable expenses. These are defined in the Grant Budget Line Item Policies document located here: <http://mha.ohio.gov/Default.aspx?tabid=500>

III. Scope of Work

Proposals must target care coordination and crisis stabilization for youth ages 8-24 who exhibit aggressive or violent behavior and are at risk for out-of-home placement. Models of care proposed should include some of the following: intensive care coordination, crisis stabilization and treatment, therapeutic mentoring, family respite/support and risk reduction. Proposals must include evidence of collaboration across counties and systems, a plan for evaluating the success of the project, and an outline of how services will be sustained after the grant period.

~~Grantees will be required to complete the Performance Measurement Worksheet (PMW) in January (Mid-Year report) and July (Year-End report). A copy of the PMW template is posted at: <http://mha.ohio.gov/Default.aspx?tabid=725>~~
