

Grant Program for County Health Departments to Enhance Access to Naloxone

The Ohio Mental Health and Addiction Services (OhioMHAS), through its Community Innovations (336-504) line item, is committing up to \$500,000 in each state fiscal year to enhance access to naloxone. Funds allocated to the department will be used to purchase naloxone, including complete Project DAWN Kits (Death Avoidance With Naloxone), for distribution to county health departments to dispense to local law enforcement, emergency personnel, and first responders (as required by House Bill 64).

Of the foregoing appropriation item 336504, Community Innovations, up to \$500,000 in each fiscal year shall be used to enhance access to Naloxone across the state for county health departments to then disperse through a grant program to local law enforcement, emergency personnel, and first responders.

These funds shall be expended through a program administered by OhioMHAS for county health departments to provide naloxone to local law enforcement, emergency personnel and first responders. Project DAWN kits consist of two MAD-300 Nasal Atomizers, two naloxone 2mg syringes and two Laerdal face shields in a teal zippered Project DAWN wallet. Naloxone, in packages of ten (10) 2mg syringes, is also available separately from the full kit.

Eligibility:

County health departments must have an active terminal distributors License from the state of Ohio. County health departments are encouraged to work cooperatively with any city health department in their county in the distribution of naloxone.

Registration:

County health departments must contact OhioMHAS' Ohio's Pharmacy Service Center (OPSC) to set up an account to utilize their allocation for ordering naloxone (Project DAWN kits or 10 packs of syringes).

To register as a customer of OPSC, please contact:

Krystal Bobo
OPSC Administrative Professional
Ohio Pharmacy Services
2150 West Broad Street
Columbus, Ohio 43223-1200
P: 614-752-0130
Krystal.Bobo@mha.ohio.gov

The following information will be needed to register:

Current TD license

Addresses: shipping address, office address

Contact Information: primary contact, phone number, and email

Distribution:

Project DAWN kits and/or syringes will be shipped to the county health departments for distribution to their local law enforcement, emergency personnel and first responders.

Rebates:

County Departments of Health should **NOT** apply for the Amphastar rebate on naloxone through the Attorney General's office. OhioMHAS will have already requested rebate. Money rebated to OhioMHAS OPS will be used for the purchase of additional naloxone through this program.

Reporting Form:

County Departments of Health should complete the attached reporting form and submit it to Rick Massatti at Rick.Massatti@mha.ohio.gov no later than July 1, 2016.

Allocation:

Allocation is made to each county based on population, with a minimum of \$1,800 guaranteed for each county. County-by-county allocation amounts can be found on page 3. OhioMHAS will be holding back \$50,000 to be used for purchase of naloxone in the case of emergency need as it may occur anywhere in the state. An emergency occurs when there is an increase in the number of reported overdoses within a 24-hour period and a health department has only two kits remaining in possession. Upon determination of a potential emergency, the health department should notify Andrea Boxill, Deputy Director of the Governor's Cabinet Opiate Action Team, at andrea.boxill@mha.ohio.gov or 614-378-0669.

Each county's allocation will be maintained by Ohio Pharmacy Services (OPS). County health departments may obtain current allocation amounts by contacting:

Sue Griffith
Assistant Chief
Ohio Pharmacy Services
2150 West Broad Street
Columbus, Ohio 43223-1200
P: 614-752-0103
Sue.Griffith@mha.ohio.gov

Naloxone Distribution and Use Tracking

In an effort to demonstrate the success of the use of naloxone in saving lives, OhioMHAS is requesting the periodic submission of data by county health departments with regard to the naloxone allocation contained in the most recent state budget bill, House Bill 64. Please use this form and submit information to Rick Massatti at Rick.Massatti@mha.ohio.gov no later than July 1, 2016.

County: _____

<u>Law Enforcement, Emergency Personnel, or First Responder recipient</u>	<u>Date Distributed to recipient</u>	<u>Date(s) Used</u>	<u>Number of Overdose Reversals</u>	<u>Number of known transportations to the emergency room/health care facility</u>
