

Ohio's Healthy Schools and Communities Resource Team provides guidance and support to Ohio's Safe Schools/Healthy Students grant; Project AWARE grant, and School Climate Transformations grant. These grants focus on developing positive schools climates, reducing school violence, increasing positive behavior choices, and increasing awareness and access to mental health services.

Vision: **Children and families will be socially, emotionally, and behaviorally resilient and productive citizens.**

Mission: **To help local community collaborations improve the health, well-being, and educational needs of children and families.**
