How My Position Has Changed

Case: A first grade student is getting more and more upset. He begins yelling at his friends and teacher. He starts to throw his supplies and chair.

- Before
 - Walking into chaos
 - Restraining students
- After
 - Removing kids instead

Changes in the Needs of the School

- Less reactive
 - ½ the suspension rate
 - Suspended/emergency removed only two students this year
- More proactive
 - School counselors office
 - discipline' takes longer because we are finding the root not discipline the behavior
 - Second Step lessons
 - Challenge Day

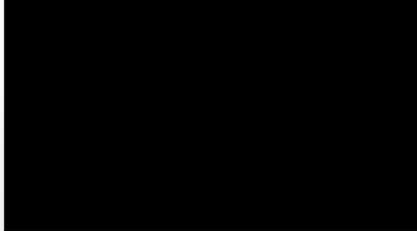

What Changed After Implementing TIC?

- Discipline forms
 - What do you need from me?
 - What can I do to help?
- Love and Logic

What Changed After Implementing TIC?

- Me moves
- Ball toss
- Bubbles
- Push in classes
