

DISPARITIES AND CULTURAL COMPETENCY ADVISORY COMMITTEE LEARNING COMMUNITY REGISTRATION FORM

The speakers will share experiences on current efforts to reduce disparities. They will discuss existing service gaps, emerging access barriers, and current strategies underway to achieve health equity. Participants will have the opportunity to interact with panelist and learn about promising practices as it relates to engagement, retention, and outcomes.

HOW DOES THIS BENEFIT YOU

- Discover strategies being implemented across the state to address service needs of diverse communities
- Identify new partnerships necessary to reduce service gaps and barriers
- Learn how to improve consumer and family engagement
- Learn how providers are improving treatment/service outcomes

WHO SHOULD ATTEND?

- Behavioral Health Case Managers
- Leadership Staff
- Nurses
- Program Planning Staff
- Psychologists
- Psychiatrists
- Counselors
- Social Workers
- Certified Peer Support Specialists
