

Southeast Ohio Public Private Inpatient Psychiatric Planning Meeting
10AM-12PM
February 28, 2013
Tri-county Mental Health and Counseling
90 Hospital Drive, Athens Ohio 45701

Purpose

To continue discussion among public and private inpatient providers as well as mental health boards and community mental health service providers aimed at identifying regional strategies for addressing the priorities of balancing utilization of hospital beds and establishing additional crisis bed capacity.

Objectives

1. Review data that characterizes the current inpatient providers and crisis bed capacity in the region
2. Identify next steps in planning for a method to communicate bed availability throughout the region

Agenda

10:00	Welcome and introductions
10:10	Discussion: Review of inpatient and crisis bed capacity data
11:00	Discussion: Key components of a regional bed availability tracking system
11:45	Identify action items and individuals responsible
12:00	Adjourn
