### TRAINING SYNOPSIS

The speakers will provide participants with information regarding the organizational implementation of the National CLAS Standards that will focus on **Theme 3 (Standards 9-15)**.

### UPON ATTENDING, PARTICIPANTS WILL BE ABLE TO:

1. Describe current practices regarding the standards in this theme, highlighting presenter development of policies, procedures, guidelines, administrative roles, etc.
2. Describe factors that supported the implementation of these standards.
3. Describe the factors that were barriers to the implementation of these standards.
4. Discuss the resources and/or assistance needed to continue implementation.
