

Screening, Brief Intervention & Referral to Treatment (SBIRT) Training

SBIRT is an evidence-based practice used to identify, reduce, and prevent problematic use, abuse, and dependence of alcohol and illicit drugs.

Learning Objectives will Include:

- To understand the elements of SBIRT
- To learn how SBIRT can be integrated into a Public Health Model
- To empower community members to embrace the philosophy of SBIRT

The same two hour training will be provided four separate times to accommodate individual schedules and encourage as many community members as possible to attend.

Training will be conducted by:

Stephen H. O'Neil, MA

Director

Ohio Substance Use SBIRT Project

Ohio Department of Mental Health and Addiction Services

This training is free and open to the public.

For questions, please contact the Hancock County ADAMHS Board Office:
