Title: Health Information Technology(HIT)/Health Integration Innovation Mini-Grant Request for Applications (RFA)

The Ohio Department of Mental Health is pleased to announce the release of the Health Information Technology/Health Integration Innovation Mini Grants Request for Application (RFA). The purpose of this grant opportunity is to offer up to \$50,000 to Community Behavioral Health Centers that are able to demonstrate an organizational readiness and document a comprehensive plan that will allow them to offer integrated behavioral and physical healthcare services, care coordination, case management and/or EHR adoption. Proposed activities should be in alignment with efforts required to become a Community Behavioral Health Center Medicaid Health Home.

All materials needed for applying are attached. If you have questions, please refer to the grant and the contact person identified therein, in addition, please pay close attention to the timelines as failure to meet the timelines (February 21, 2012) will result in an application not being considered.

Establishing mental health as a cornerstone of overall health
