Title: Performance Improvement Survey

The 14th Performance Improvement Survey is now available for completion and can be obtained from the ODMH Performance Improvement website:

<http://mentalhealth.ohio.gov/what-we-do/protect-and-monitor/licensure-and-certification/community-mental-health-agencies/performance-improvement.shtml>.

Completion of this survey is required by all ODMH licensed and certified providers under OAC 5122-28-03.

This survey covers the time period from July 1, 2011 through December 31, 2011 and is similar in format to the prior Performance Improvement Surveys with a focus on the use of seclusion and restraint. Please read the directions carefully as there are several updates to the survey template. The completed survey is due on Friday, February 24, 2012. Please send the completed forms to Anna Labaya at Anna.Labaya@mh.ohio.gov.

Thank you for participating in the ODMH PI Survey! Thank you for your continued efforts to improve the quality of mental health services and improve the personal safety of the children and adults that we serve.
