

Communication Update(s)

Greetings to all ACF/AFoH Home Operators/Administrators and Staff

March 13, 2014: It is anticipated that the First Quarter payments for those who submitted early without issues (corrections, changes, etc.) and/or issues have been corrected should receive the First Quarter Direct Deposit payments on or about March 14, 2014 or March 17, 2014. Those requesting checks should arrive a few days after on or about March 20st.

Thank you all for your patience and hanging in there with us as we develop and modify the process as we go and grow.

Thank you and best wishes,

Deborah Givens, Housing Policy and Resource Administrator and the ACF-AFoH Incentive Program Review and Processing Team
