

RULE MEMORANDUM

Date: August 1, 2016

To: Interested Constituents

From: Howard Henry, Staff Counsel

Subject: Proposed Rule Amendments for:

- 5122-29 Requirements and Procedures for Mental Health Services Provided by Agencies
- 3793:2-1 Alcohol and Drug Addiction Programs

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is proposing the following Ohio Administrative Code rule actions. Please review these draft proposed rule actions and provide any comments you may have **by August 19, 2016**. **Comments will automatically be forwarded to the Common Sense Initiative Office.**

Pursuant to the requirements of EO 2011-01K and Senate Bill 2 of the 129th General Assembly, which requires state agencies, including OhioMHAS, to draft rules in collaboration with stakeholders, assess and justify any adverse impact on the business community (as defined by SB2), and provide opportunity for the affected public to provide input on the rules.

OhioMHAS is proposing to combine and update the certified services defined in OAC Chapters 5122-29 and 3793:2-1. This process will consolidate all service definitions into Chapter 5122-29 and as much as possible eliminate the distinction between mental health and AoD services. Service definitions in Chapter 3793:2-1 are in one rule and will be broken out into individual service rules. All changes will be filed at one time, however the OhioMHAS is submitting rules for public comment and review by CSIO in multiple groups to ease the review process. The proposed rule actions for this rule package are listed below.

The rules have been submitted to the CSI office for review; and comments regarding the rules can be submitted through the link on the OhioMHAS website. Comments submitted through the link will be sent to OhioMHAS and the CSI office. Comments may be sent directly to CSIPublicComments@governor.ohio.gov or MH-SOT-rules@mha.ohio.gov.
