

Naloxone Administration in Ohio

EMS Incident Reporting System (EMSIRS) - 2012

Legend

 ADAMHS Board

Rate per 10,000

 0.0 - 4.7

 4.8 - 10.8

 10.9 - 29.0

Map Information:

This map represents the naloxone administration rates in 2012. On average, there were 9.17 naloxone administrations per 10,000 person years during this time. Counties with the highest administration rates were Hamilton (29.0), Montgomery (24.4), and Adams (19.4). Counties with the lowest administration rates were Lawrence (0.3), Athens (0.3) and Coshocton (0.3). Counties with a naloxone administration rate of 0.0 may not have submitted data during 2012. The rate in Warren county is higher than what is stated because there is missing data.

Note: Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Boards have black borders, and counties have white borders. Borders are black in cases where ADAMHS boards and counties have the same borders.
