Program

Reminders:

- To please track consumers separately so we have an idea of how many are AOD (CSAT) vs. MH (CMHS).
- National Culturally and Linguistically Appropriate Service (CLAS) Standards: heads up, there will be additional information coming soon. The CABHI (and PATH) Grant(s) required reporting per the Federal RFA include meeting these standards. An email should be sent out by the end of the day or tomorrow at the latest.

Site visits:

I will be doing a “mini-visit check-in” in June following the completion of the PATH site visit(s), please schedule accordingly. However, for the currently funded sites (Cuyahoga, Franklin, Hamilton, Montgomery and Summit) Scott Wingenfeld and I are planning a full site visit sometime in the fall after we have completed our first year. I am anticipating that the “mini-check-in” should be an hour or less.

CTI Training(s) by FrontLine Services:

- Summit – In process of scheduling
- A Kudos went out to Kathleen Alexander for facilitation of the CTI Trainings

Enhancement Grant

Deadline: All required information/documentation to participate in the CABHI-States Enhancement Grant is **due to Roma.Barickman@mha.ohio.gov by March 23, 2015**

Will send one email with a summary of all that you need:

- Budget (equipment for new staff can be included)
- Narrative
- Checklist
- Letters of Support (template)/only need additional letters for the new units
- Return in a zip file (no PDF forms, exception of any signature pages, if required)
- List of trainings

However, please see the email for specific details for current grantees as well as for the new grantees (pending grant approval).

Rapid Rehousing may be used as a form/process of housing enrolled persons, however, we must be able to connect them with other services and supports (i.e., employment) to ensure their benefits kick in time so they are able to sustain their housing permanently.

Ending this meeting early to ensure everyone who needs to attend CDP Training is available to do so (2:00 pm – 3:30 pm).
