## How to Receive Payment

Two important steps are required for home operators participating in the Adult Care Facility/Adult Foster Home (ACF/AFoH) Incentive Program to receive payment. All incentive payments from the Ohio Department of Mental Health and Addiction Services (OhioMHAS) will be made via electronic funds transfer (EFT) through the Ohio Administrative Knowledge System (OAKS). To successfully receive ACF/AFoH Incentive payments, you will need to verify or register in OAKS, and then submit incentive verification documents on a quarterly basis.

### OAKS registration and/or verification steps

The ACF/AFoH Incentive Program pays participating home operators by EFT through OAKS. Home operators must register in OAKS the first time they participate, then verify their existing OAKS registrations when they participate in subsequent quarters.

To register in OAKS or update an existing registration:

1. Access the Ohio Shared Services website at: <http://ohiosharedservices.ohio.gov/VendorsForms.aspx>.
