Adult Care Facility Operators encounter many different residents and situations within their homes, including residents with mental illness, substance use disorders or both. This training will provide information on the dynamics of a recovery-oriented ACF and highlight how a recovery focus can benefit ACF operations.

Topics will include:

- understanding mental illness and substance use disorders
- how to create a recovery-oriented environment
- how to address and avert crisis situations, and
- practical applications of how to adopt the Creating a culture of Recovery and personal health for individuals will increase quality of life, reduced episodes of decompensation and improve overall functioning.

Participants will have opportunity to role play, interact with other participants and learn about self-care.

Target Audience: Adult Care Facility Operators and Owners, MH and AoD Housing Providers

Continuing Education Units (CEUs): 6 hours for SW, Counselors, RN and LPN

Adult Care Facility Operators will receive 6 hours of mental health training that can apply toward the training requirement from Licensure and Certification.
