Version: July 8, 2015

All Ohio guardians of adults are required to participate in the following education, according to the [Rules of Superintendence for the Courts of Ohio 66.06 and 66.07](#): a one-time six-hour fundamentals course and a three-hour continuing education course for each following year.

The fundamentals education is to be provided by the Supreme Court of Ohio or another entity with prior approval from the appointing court. To assist guardians and courts in meeting this new requirement, the Supreme Court of Ohio Judicial College is delivering a six-hour fundamentals course three ways:

1. **Live courses.** These courses will be delivered regionally on a monthly basis. Lunch and materials provided.
2. **Interactive sessions broadcast to local sites.** Materials provided.
3. **Online education** will be available in late 2015 to allow self-study.

Please see page 3 for registration information.

Course Description.

All guardians are tasked with the extremely important responsibility of making critical decisions for another person, while focusing on protecting and preserving the rights of the individual being served. Uniform education will guide guardians to fulfill their duties in a way that is consistent with national standards and Ohio's rules for courts. Ultimately, the result is to provide you, in your role as guardian, the information and tools to ensure that your decisions are grounded on the best interests of Ohio citizens under your care.

As a result of participating in a Judicial College Fundamentals of Adult Guardianship Course, you should be able to:

- Identify the process of establishing adult guardianship
- Determine responsibilities and reporting requirements of guardians of adults
- Discuss appropriate resources for adult wards
- Describe best practices in specific situations

“**Laypersons**” are guardians who are typically related to the person under guardianship by blood or marriage, friends, neighbors, and others who are not seeking continuing education credit (e.g., CLE).

“**Professionals**” are guardians who are typically attorneys, social workers, previously trained guardians, and other professionals who are seeking continuing education credit (e.g., CLE).
