 - Workforce augmentation
 - Targeted, immediate increases to Tx capacity
- Primary Prevention – up to \$5 m
 - Statewide training for evidence based practices
 - Targeted, immediate increases to prevention
- Infrastructure/Administration – up to \$1.3m
 - SBIRT
 - Vicarious trauma
 - Public-facing engagement
 - Jail data demonstration

Key Focus Areas

Funding tiers

- **Tier 1**: Counties with the highest overdose death counts (2010-2015), rates (2010-2015), and fentanyl deaths (2015). Total number of residents in Tier 1 Counties: 7,030,825, or 61% of state population.
- **Tier 2**: Counties with the next highest overdose death rates (2010-2015), and need for treatment (NSDUH 2012-2014). Total number of residents in Tier 2 Counties: 1,678,383, or 14% of state population.
- Tier 1 & Tier 2 totals: 8,709,208 Ohioans, or 75% of the state's population, and 53% of counties and board areas

Funding restrictions

- Any lease beyond the project period;
- Services to incarcerated populations;
- Purchase or construction of any building or structure (applicants may request up to \$75,000 for renovations and alterations of existing facilities, if necessary and appropriate to the project);
- Housing other than residential mental health and/or substance abuse treatment;
- Residential or outpatient treatment services when the facility has not yet been acquired, sited, approved, and met all requirements for human habitation and services provision (expansion or enhancement of existing residential services is permissible); and
- Direct payments to individuals to induce them to enter or attend prevention or treatment services.
