Subject: Title XX Plans for FFY 2018

**Action Required: Submit Signed Title XX Plans to OhioMHAS via GFMS by
June 23, 2017**

Content: Each ADAMH/CMH Board requesting Title XX funding for Federal Fiscal Year (FFY) 2018 is required to submit a final signed Title XX Annual Plan for each county in its service district to the Ohio Department of Mental Health and Addiction Services (OhioMHAS) via GFMS. Service definitions have been changed to align with pending rule changes.

Boards determine expenditures and eligibility for use of Title XX funding for mental health services in their counties, and should consider how changes in service definitions may impact their Title XX Annual Plans. Boards are expected to align Title XX expenditures with Title XX projections. If expenditures vary significantly from projections, Boards should submit revised projections to OhioMHAS prior to the end of the FFY during which the expenditures occur.

Please review OhioMHAS' tentative draft Title XX Annual Plan attached to the instructions, which includes:

- board addresses (pages 4 – 6)
- board allocations (pages 7 – 8)
- service definition crosswalk (page 11)
- service definitions (pages 12 – 16)

To complete the FFY 2018 Title XX Annual Plan, please:

- Complete one Annual Title XX Plan for each county and save to your computer
- Secure the required signature to the Annual Title XX Plans
- Scan the Title XX Plan to a PDF file; save to your computer

5122-29-28 Intensive home based treatment (IHBT) service

Intensive home based treatment (IHBT) service is a comprehensive mental health service provided to a child/adolescent and his or her family that integrates community psychiatric supportive treatment (CPST) service or health home service for persons with serious and persistent mental illness for a person enrolled in the service, mental health assessment service, mental health crisis response, behavioral health counseling and therapy service, and social services with the goal of either preventing the out-of-home placement or facilitating a successful transition back to home. IHBT service may also be provided to transitional age youth between the ages of eighteen and twenty-one who have an onset of serious emotional and mental disorders in childhood or adolescence. These intensive, time-limited mental health services are provided in the child/adolescent's natural environment with the purpose of stabilizing and improving his/her mental health functioning.

The purpose of IHBT is to enable a child/adolescent with serious emotional disturbance (SED) to function successfully in the least restrictive, most normative environment. IHBT services are culturally, ethnically, racially, developmentally and linguistically appropriate, and respect and build on the strengths of the child/adolescent and family's race, culture, and ethnicity.

5122-29-29 Assertive community treatment (ACT) service

Assertive community treatment (ACT) services are provided to an individual with a major functional impairment or behavior which present a high risk to the individual due to severe and persistent mental illness and which necessitate high service intensity. ACT services are also provided to the individual's family and other support systems. A client receiving ACT services may also have coexisting substance use disorder, physical health diagnoses, and/or mild intellectual disability. The service is available twenty-four hours a day, seven days a week.

Section V: County Service Profiles

OhioMHAS' portion of Ohio's FY 2018 Title XX budget is summarized in an aggregate budget for 88 counties on the next page. The aggregate budget includes services, costs and recipients by eligibility status.

Each of the 88 counties has an individual County Service Profile signed by the Executive Director of each board. These County Service Profiles will be maintained by OhioMHAS, and the aggregate budget will be included in Ohio's Title XX Plan which is prepared by the Ohio Department of Job and Family Services.

Ohio's FY 2017 Title XX budget is included in the tentative FY2018 Plan, and will be replaced in the final FY 2018 Plan after Ohio Boards complete their profiles.
