

PAUSE RESPITE LEARNING CIRCLE

Respite is a prevention strategy. You can change a life.

6/2, 6/9, 7/14, 8/11, 9/15, 10/13

6 Virtual Sessions via Zoom
10:00-11:00am

Finding sustainable options for respite is challenging and it's needed now more than ever. Join the Butler Co. Family & Children First Council's learning circle and we will teach you how to start your own trauma-responsive, respite program.

Pause serves over 300 families (and growing) with in-person & on-line respite. Learn how to bring families out of isolation while catalyzing your local community to step into the gap. The Pause program can be replicated at a relatively low-cost when it is supported by community donations, student interns, and volunteers.

We will share tips and tools including: community engagement strategies, data collection, enrollment forms, event planning logistics, registration processes, safety planning, volunteer recruitment & management, and on-line connection strategies for the COVID-19 crisis.

Presenter: Lisa McCoon, Butler Co. Pause Program Director
