OhioMHAS 40-hour Peer Recovery Supporter Training Announcement

Thank you for your interest in the OhioMHAS 40-hour Peer Recovery Supporter (PRS) Training. Following the direction of the Governor’s office, due to the current pandemic, all OhioMHAS 40-hour in-person Peer Recovery Supporter (PRS) Trainings through August 2020 have been cancelled. We greatly apologize for any inconvenience this may cause.

The Peer Services Team is working to pilot an online version of the (PRS) Training. When an online (PRS) Training is available, it will be announced at this web address: https://mha.ohio.gov/Health-Professionals/About-Mental-Health-and-Addiction-Treatment/Peer-Support/Peer-Supporter-Training-and-Professional-Development. Select “40-HOUR IN-PERSON PRS TRAINING CALENDAR” for the most recent training information.

While you are waiting for (PRS) Trainings to resume, we recommend completing the 11 required eBased Academy courses. Information on these courses can be found on our website: https://mha.ohio.gov/Health-Professionals/About-Mental-Health-and-Addiction-Treatment/Peer-Support/Peer-Supporter-Training-and-Professional-Development.

For questions, please e-mail peerservices@mha.ohio.gov.

Thank you,

OhioMHAS Peer Services Training Team
