Perspectives on Trauma and Hope for Healing

The Ohio Departments of Mental Health and Addiction Services (OhioMHAS) and Developmental Disabilities (DODD) collaborate on a statewide Trauma-Informed Care (TIC) Initiative that acknowledges the role trauma plays in the lives of the individuals they serve. Working through six Regional Collaboratives, the initiative is expanding opportunities for practitioners, facilities and agencies to become competent in trauma-informed practices.

Erin Lucas

As part of a project by the Southeast Trauma-Informed Care Collaborative in Ohio, Erin Lucas, Director of Early Childhood Programs, Hopewell Health Centers, talks about trauma and its implications for children and adults.

Rick
