CORRECTION

The powerpoint available during the live webinar contained an incorrect rule number on several slides. This version includes the proper rule number, 3793:2-1-08, rather than the incorrect references to 3793:2-1-03. As a result, the rule number visible on several slides during the webinar recording will not match this handout.
Eligible Providers and Supervisors

AoD - All services except Prevention
- 3793:2-1-08 Treatment Services
  - No changes to current eligible providers/supervisors
