

COVID-19 Behavioral Health Resources for Behavioral Health Providers

Mike DeWine, Governor
Lori Criss, Director

Have all OhioMHAS sponsored trainings and events been canceled?

- A list of all OhioMHAS-sponsored in-person trainings and events that have been canceled can be found under Health Professionals and Providers section of mha.ohio.gov/coronavirus.

What changes to our regular operations should we be making?

- Helpful tips and guidance for behavioral health providers can be found at mha.ohio.gov/coronavirus. This includes guidance on coronavirus preparedness business planning and telehealth guidance. You can also email your questions to OhioMHAS at Covid19BH@mha.ohio.gov.
- If you are an opiate treatment provider you may submit your questions via email at OTP_COVID19@mha.ohio.gov.

How do I keep my staff safe and continue to provide critical behavioral health services?

- Helpful tips and guidance for behavioral health providers can be found at mha.ohio.gov/coronavirus. This includes information on sustaining the wellbeing of healthcare personnel during coronavirus and other infectious disease outbreaks.
- Guidance on providing behavioral health services via telehealth can also be found at: mha.ohio.gov/coronavirus, in the BH Professionals and Providers section. You can also email your questions to OhioMHAS at Covid19BH@mha.ohio.gov.
- If you are an opiate treatment provider you may submit your questions via email at OTP_COVID19@mha.ohio.gov.

Where can I find answers to questions specific to providing opiate use disorder treatment or medication assisted treatment?

- OhioMHAS has posted guidance for Opiate Treatment Providers at mha.ohio.gov/coronavirus in the BH Professionals and Providers section.
- Or email your questions to: OTP_COVID19@mha.ohio.gov.
