>>> WATCH LIVE: White House Drug Policy Director in Toledo Today to Discuss Opioid Epidemic at Community Forum

White House National Drug Control Policy (ONDCP) Director Michael Botticelli will join with Ohio Attorney General Mike DeWine, OhioMHAS Director Tracy Plouck and other state and local leaders in Toledo today, for a community forum on evidence-based programs to prevent and treat prescription drug abuse and heroin use. Director Botticelli will also participate in a press conference prior to the community forum to announce new private sector actions to address opioid overdose deaths in the state of Ohio. The town hall will take place at 1:30 p.m. in the Scott Park Student Center Auditorium on the University of Toledo campus. Click HERE to watch live, streaming video of the event. Following the town hall, Dir. Botticelli will tour the Zepf Center facilities and meet with Ohioans in recovery.
