>>> UPDATE: Nasal Atomizer Recall Expanded

It has recently come to our attention that additional items sold by Teleflex Medical are also subject to recall. These items are not stocked by Ohio Pharmacy Services, but may be in use within your organization. Linked below is the full list of recalled products from Teleflex Medical. Additional items also subject to recall include a number of syringe/atomizers combinations, due to the same concern that the recalled devices may not appropriately create the mist required for proper absorption of medications. To see the full recall list issued by Teleflex Medical, click [HERE](#). If you have questions about any of these recalls, please call **1.844.364.4063**. Additional information can be found at: <http://www.odh.ohio.gov/odhprograms/naloxone/Atomizer.aspx>.

>>> 1 Day Stand Against Tobacco – Nov. 17

On Nov. 17 the [Tobacco-Free College Campus Initiative](#) along with and universities across the country will take a one-day stand against tobacco in celebration of the American Cancer Society's Great American Smoke-out. On this day encourage students and campus professionals who use tobacco to quit, raise awareness of the dangers of tobacco, and promote smoke- and tobacco-free campus policies. Visit www.1DayStand.org for tools such as fun and engaging activities to conduct on campus, promotional signage, sample surveys, talking points, press releases, social media posts and more. Campuses that register their event on the website will be recognized by the Tobacco-Free College Campus Initiative for their efforts.

>>> 2016 G.A.P. Network Summit – Dec. 2-3

Drug Free Action Alliance will host the [2016 G.A.P. Network Summit](#) Dec. 2-3 at the DoubleTree by Hilton Columbus-Worthington. The Summit bridges the gap from families and community members to experts and resources. Families impacted by loss or addiction, professionals seeking resources and community leaders will leave with larger networks, more tools to combat these tragedies, and will gain support from each other. The presentations and workshops will focus on three key topics: Coping with Grief, Taking Action through Community Prevention & Support and Advocacy for Prevention. For more information, email Brittany Sandidge at BSandidge@DrugFreeActionAlliance.org.
