>>> New 21ˢᵗ Century CURES Act Funding Opportunities
The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to announce the following funding opportunities related to Ohio's 21ˢᵗ Century CURES Act initiative.

SFY 2018 Emergency Department Grant (MHA-18-MEDDIR-EmergencyDept-23)
OhioMHAS will fund case management positions in 11 hospital emergency department settings to coordinate clinical care for persons with substance use disorders including opioid use disorders (SUD/OUD). Case managers will engage behavioral health physicians, primary care physicians, or physician specialists (e.g., obstetric/gynecological) to provide interim medication assisted treatment (MAT) if immediate entrance to an office-based opioid treatment program (OBOT), opioid treatment program (OTP), residential program offering MAT, or withdrawal management program is not available. Case managers will follow up with patients and treatment programs to monitor whether there is follow-through with treatment. **All applications must be submitted electronically to CURESTREATMENT@mha.ohio.gov by 5:30 p.m. on Aug. 22**. All questions must be submitted electronically to CURESTREATMENT@mha.ohio.gov by 5:30 p.m. on Aug. 15. Responses will be posted to the OhioMHAS Funding Opportunities web page.

>>> SFY 2018-19 Youth Treatment Implementation Grant (MHA-18-19-DMHF-18SYTI-26)
Ohio is in receipt of a Cooperative Agreement/Grant for Adolescent and Transitional Aged Youth Treatment Implementation from the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Treatment (CSAT). OhioMHAS is seeking proposals from local alcohol drug addiction and mental health
boards to establish/enhance treatment models of care that focus on a continuum of options and supports for youth and young adults with substance use disorders (SUDs) and/or co-occurring substance-use and mental health disorders -- ages 12-25 -- and their families/primary caregivers. Proposals will be accepted from ADAMHS boards working with provider organizations that serve the population of focus in multiple counties, at least two of which are rural and/or Appalachian counties. This funding opportunity aims to create continuum of care options through local, community-driven systems of care. Furthermore, the purpose of this program is to improve treatment for the population of focus, by assuring youth and young adults have state-wide access to evidence-based assessments, treatment models, and recovery services, supported by strengthening the existing infrastructure system. YT-I is a combination of infrastructure improvement and direct treatment service delivery.

A bidder's forum will be held via conference call on Aug. 18. Please RSVP for the call at BCYFgrants@mha.ohio.gov. Call-in instructions will be provided once the RSVP is confirmed. All questions must be submitted electronically to BCYFgrants@mha.ohio.gov by 4 p.m. on Aug. 25. Responses will be posted to the [OhioMHAS Funding Opportunities web page](#). **Proposals must be submitted electronically to BCYFgrants@mha.ohio.gov by 5 p.m. on Sept. 8.**

>>> HOME Choice Program Surpasses 10,000
Since 2008, the Ohio Medicaid [HOME Choice program](#) has helped transition more than 10,000 Ohioans from institutions to home and community-based settings, where they receive long-term services and supports at home and in their communities. This is a major milestone in the program's efforts to provide Ohio's older adults and people with disabilities greater choice in where they would like to receive services as an alternative to nursing homes and other institutional settings.
