>>> Reposted: FY 2017 Wellness Initiative RFP

NOTE: This opportunity is available to the Northcoast Behavioral Healthcare Catchment area only (Ashtabula, Cuyahoga, Geauga, Lake, Lorain, Portage and Summit Counties).

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) believes that recovery supports including peer services, employment and housing are critical to assist individuals with mental health and/or substance use disorders on their individual paths of recovery. For SFY 2017, OhioMHAS will release six (6) regional mini-grants (each totaling \$50,000) to Consumer Operated Services/Business and Clubhouses to provide regional technical assistance, training and oversight for a wellness initiative. The Wellness Initiative is in an effort to encourage increased resiliency, wellness, and self-management of health and behavioral health among people with mental illnesses and/or substance use disorders throughout Ohio for individuals who are living in the community, regional psychiatric hospitals and individuals transitioning into community living. Proposals should be submitted via email to wellnessrfp@mha.ohio.gov and must be received by **2 p.m. on March 25**. All questions should be submitted to wellnessrfp@mha.ohio.gov by 2 p.m. on March 21. All responses will be posted on the [OhioMHAS Funding Opportunities page](#).
