

Ohio Department of Mental Health and Addiction Services

Have You Heard of Access to Recovery?

John R. Kasich, Governor
Tracy J. Plouck, Director

Do you need help staying in recovery? ATR can assist with...

- Recovery housing
- Transportation
- Employment skills training
- Peer recovery support
- Spiritual support

For recovering adults living in Columbiana, Cuyahoga, Franklin, Hamilton, Lorain, Mahoning, Montgomery, Stark and Summit Counties

Access to Recovery (ATR) is designed to assist criminal justice-involved adults and veterans maintain recovery from alcohol and other drug addiction. If you qualify, you may choose among a list of services, including the above, offered through providers in their community, at no charge. The goal of the program is to support you in your journey to living a happy and healthy life, whether or not you are currently receiving treatment. ATR does not believe in a one-size-fits-all approach to recovery and understands that you know better than anyone the types of support you need to be successful.

If you are interested in finding out more information please contact an ATR care coordinator at a participating agency.
