As we continue to develop the Crisis Academy, we would like to hear from you on what additional support is needed for communities working to enrich their Crisis Continuums. We are asking each team to prioritize each of the 8 topics below on where you would like to see additional training/ technical assistance:

(Please rank 1 – 8, with 1 as the highest priority)

Rank:	Topic:
___ 3.32 ___	Mobile teams
___ 5.13 ___	Peers in the crisis continuum workforce
___ 3.91 ___	Crisis response for kids
___ 6.13 ___	Call centers- Georgia model, other uses of technology
___ 3.96 ___	Rural/Low population solutions to crisis response
___ 2.6 ___	Crisis residential treatment. Crisis stabilization units, alternatives to inpatient or aftercare supports like Adam Amanda Center.
___ 3.87 ___	Hospital Solutions and enhancing existing emergency referral/response by hospital systems.
___ 6.62 ___	Veterans

Please identify the crisis models you would implement in your local system to enhance your crisis continuum:

- Mobile Crisis Teams
- Capacity Building
- Crisis Response for Youth
- 23-hour Observation
- Integrating Peers into the Crisis Continuum

Please identify your team's next steps in working to enrich your Crisis Continuum:

- Needs Assessment/Strategic Planning
- Integrate Services/Collaborate with other providers
- Seek Additional Training
- Determine Cost efficiency/feasibility
- Collect/analyze data
- Develop Improvements to current system or Launch new program
