- Partnership between Southeast, Columbus Division of Fire and Emergency Departments (OhioHealth, OSU, Mount Carmel)
- Linking an overdose victim with immediate options for treatment
- 2019 Claims Amount: \$137,901
- 1,123 Consumers Served October 2018 – September 2019

Future Crisis Care Goal

Provide a complete crisis care continuum for adult consumers by 2021.

Franklin County Crisis Center

Collaboration

Join together with mental health providers, local hospital systems, public safety officials (first responders and law enforcement), consumers and their families to assess behavioral health crisis care needs in Franklin County.

Innovation

Provide a safe, therapeutic setting for people in need of crisis services and link them to the least restrictive treatment options that lead to recovery using innovative models from across the country.

Access

Increase 24/7 access to crisis care accessible through self and family referrals, community care providers and public safety officials.
