All residents in the home must be income eligible

Repairs or replacements meet required standards for:
- Mechanical systems
- Exterior and interior structural components
- Lead-based paint assessment
CHIP Program Activities

Rehabilitation Assistance
Addresses Entire Home
Private Owner Rehabilitation
Rental Rehabilitation

Repair Assistance
Addresses one or two specific issues
Owner Home Repair
Rental Repair
CHIP Program: Rehabilitation Assistance

Private Owner Rehabilitation
- All residents must be income eligible
- Affordability Mortgage for 5 years

Rental Rehabilitation
- All residents must be income eligible
- Up to 15-year Affordability Period
Rental Rehabilitation

Rental rehab or repair may require match

Owner must agree to rent to income-eligible tenants

Rent cannot exceed Fair Market Rent
CHIP Program: Repair Assistance

Addresses one or more specific problems that adversely affect occupant health and safety and/or structural integrity

**Owner Home Repair**
- All residents must be income eligible
- Affordability Period usually covered by grant

**Rental Repair**
- All residents must be income eligible
- Two-year Affordability Period
CHIP Program: Repair Assistance

Eligible Repairs:
- Plumbing System
  - Tap-ins
- Wells and Septic Systems
- Mechanical System Repairs
- Weatherization
- Structure System Repair
- Accessibility
Housing Assistance Grant Program

Income eligible

Repairs or accessibility modifications to address health and safety issues to prevent homelessness

Repairs are minor but essential
Housing Development Assistance Program

Provides gap financing to developers

Helps to create or preserve affordable rental housing

Supports developing permanent supportive housing and transitional housing
Ohio Housing Finance Agency (OHFA) administers HDAP through three programs:

- Bond Gap Financing Program
- Housing Credit Gap Financing Program
- Housing Development Gap Financing Program

*For households with more than eight members, add $8,840 per member.
After a comprehensive home energy inspection is complete, cost-effective energy efficient improvements can be installed. These may include:

- Safety inspection, tune-up/repair, and if necessary, installation of heating units
- Insulation of attics
- Insulation of sidewalls
- Insulation of floors
- Insulation of water tanks
- Personalized energy management plan
Home Weatherization Assistance Program
How to Apply

To apply for HWAP, Contact your Home Weatherization Assistance Program Provider

hwap.development.ohio.gov
