SFY 18-19 Recovery Housing Initiative

Boards received an additional $48,000 to be used towards Recovery Housing with the following guidelines:

• Funds are to be used for operations, expanding housing, maintaining housing (rent, utilities, furnishings, operations staff).
• Funding can be used for non-critical repairs under $2,500 (paint, fixtures, small repairs, carpet, etc.).
• Funding cannot be used for capital improvements.
• Funds can be used for peer support only if the use is tied to the expansion or sustainability of housing.
• Funds can no longer be used for ORH Associate Certification.

SFY 18-19 Recovery Housing Initiative

Funding Requirements:

• Homes must have an annual fire safety inspection and certificate of occupancy
• Comply with recovery housing statute
• Integrate recovery housing into the local behavioral health continuum of care

Other requirements may be specified by local Board
Housing University
