

K-12 Prevention Education Initiative - Additional Funding Ideas

Mike DeWine, Governor
Lori Criss, Director

- PAX Tools training and implementation
- PAX GBG training (teacher and partner)
- Supplies/consumables needed for any evidence-based program being implemented that can be utilized later
- Professional Development training for teachers and school staff
 - Bullying
 - Cultural Competency/Equity
 - Mental Health Literacy
 - Suicide Prevention Gatekeeper training (Question, Persuade, Refer)
 - Youth Mental Health First Aid
 - Trauma Informed Strategies
 - Signs of Suicide
- Covering substitute teachers while primary teachers attend Professional Development training
- Parent engagement strategies and resources (educational materials, worksheets, etc.)
- Universal screening to identify behavioral health issues that may be addressed through prevention services, early intervention services or with a referral for treatment services
