RFP Information

FAQ's for OHIO SBIRT Project RFP

**What RFPs do you expect to push out? Estimated amount of the grant or contract.**

We will be funding up to 2 sites:

Site 1&2: \$107,806 per site(approx.)

**Brief description of what the RFP is hoping to procure.**

The RFP seeks to procure medical sites that will implement SBIRT services with all patients ages 18 and above. This includes FQHC sites, hospitals, urgent cares, rural health centers, primary care offices, university health centers and other locations providing medical health care.

**Does it have to physically be a clinic type of setting or could it be applied to our needle exchange program which is not housed in a clinic but in an office? Also, could it apply to our traveling nurses who go out to do medical screenings at homeless clinics count as a site?**

The site could be a clinic, office or other setting that provides medical care.

**Whether it is budget dependent or based on a different funding stream.**

All Ohio SBIRT funds are awarded by DHHS/SAMHSA/CSAT under Grant #1 U79TI025113-03.
