Number of clients who were carried over from a previous reporting period, and continued to receive services during this six month reporting period

For the reporting period of July 1, 2015 to December 31, 2015

This is the number of clients who were admitted into the program prior to July 1, 2015 and received services during this six month period.

For the reporting period of January 1, 2016 to June 30, 2016

This is the number of clients who were admitted into the program prior to January 1, 2016 and received services during this six month period.

Number of clients who were assessed, but not admitted into the program

This is the number of clients who received assessments only, but not admitted into the program.

Number of clients who were admitted during the reporting period

This is the number of clients who were admitted into the program during this six month period.

Number of clients who were discharged (successfully, unsuccessfully or neutrally)

This is the number of clients who completed the program, were terminated by the program or neutrally discharged by the program during this six month period and will not be served by the program in the succeeding six month period.

Number of clients maintained in the program and will be carried over to the next reporting period

This is the number of clients who will continue to receive program services in the next reporting period.

Aggregate outcome data for clients discharged during the reporting period

The following information is derived only from clients discharged successfully, unsuccessfully or neutrally from the program during this six month period:

Number of drug tests administered

The total number of all drug tests given to discharged clients.

Number of drug tests with negative results

The total number of drug tests given to discharged clients that provided negative results.

Number of alcohol tests administered

The total number of all drug tests given to discharged clients.

Number of alcohol tests with negative results

The total number of drug tests given to discharged clients that provided negative results.

Number of discharged clients re-arrested while in the program

This is the total number of discharged clients re-arrested in the while in the program for new charges, or a delinquency filing, with the exclusion of traffic offenses except: OVI, Hit/Skip and Fleeing/Alluding. It does not include parole violations or probation violations. Do not include the re-arrest if the offense took place prior to admission into the program.

Number of re-arrests (new charge while in the program)

This is the filing of a new criminal charge or delinquency filing with the exclusion of traffic offenses except: OVI, Hit/Skip and Fleeing/Alluding. It does not include parole violations or probation violations. Do not include if the offense took place prior to admission into the program.

Number of commitments to DYS (because of re-arrest)

Include only those clients who were committed to the Department of Youth Services (DYS) as a result of the re-arrest (see above definition). Do not include parole or probation violations.

Number of clients who successfully completed the program

This is the number of clients who were successfully discharged during the reporting period.
