System of Care Digital Training Grant RFP FAQ's

1. **Q: Is an applicant allow to submit a proposal to address only one of the three stated objectives listed under "Purpose"? For example, can we submit a proposal that we would create content only about #3 "How to facilitate high fidelity wraparound teams."**

A: Yes, proposals are permitted to address content for only #3 "How to facilitate high-fidelity wraparound teams."

2. **Q: Does the proposal need to include a plan for the mechanism to house and/or distribute the content (i.e. invest in a website domain or e-learning platform) or does Ohio MHAS have a site/platform that will be used?**

A: The training content will be available on the Ohio MHAS website; therefore, it should be in a format that is appropriate for hosting and downloading/uploading files.
