Dear Stakeholders:

This memorandum provides additional implementation guidance regarding the requirements for applicants to the Community Resiliency Project Capital funding, published in the FY 19-20 Community Resiliency Project Capital Funding guidance document on August 20, 2018.

Like the August 20, 2018, memoranda, this guidance is to assist communities as they pursue capital funding to support youth resiliency activities.

The August 20, 2018, memo is hereby updated to include the following:

Deadline to submit project worksheets:

The deadline for submission of the project worksheet has been extended to October 15, 2018.

Change in requirements related to operating hours:

In an effort to improve applicant flexibility, the Ohio Department of Mental Health and Addiction Services is reducing the previous requirement for a provider to demonstrate that they are offering programming 7 days per week, for a minimum of 6 hours per day on weekdays and a minimum of 8 hours per day on Saturdays and Sundays. Instead, applicants must demonstrate that they are offering programming 6 days per week, for a minimum of three hours per day.

Sincerely,

Mark Hurst, M.D.

Director
