

OhioMHAS Youth & Young Adult Early Intervention Initiative FAQ

1. Do applicants need to address both youth and young adults, or is there the ability to focus on one?

Applicants must address both youth and young adults.

2. Is the intent of the RFP to build upon the cited framework (i.e. this would be a five-month planning period) or to develop and implement in the time frame specified (i.e. by June 2021)?

The intent is complete the identified deliverables by June 30, 2021

3. Are the pilot communities established or is the identification and selection a responsibility of the grantee?

The pilot communities will be identified by OhioMHAS.

4. If we are unable to partner with another institution, would we still qualify for this grant?

An institute of higher education must be the lead applicant for this opportunity.
