

340 Review Stakeholder Workgroup

Purpose of Workgroup

OhioMHAS and its key stakeholders recognize that the realities and practices of today's behavioral health care system have created challenges within the current governing structure of Ohio Revised Code Chapter 340, <https://codes.ohio.gov/ohio-revised-code/chapter-340>. OhioMHAS has convened a 340 Review Stakeholder Workgroup whose members will seek to identify code sections in need of review, define specific challenges, and explore potential solutions through a transparent and public process. The Workgroup will produce a summary report of challenges, potential solutions, and policy considerations for further review and discussion by the Administration and General Assembly. Information on the Workgroup and its meetings will be available on <https://mha.ohio.gov/community-partners/advisory-groups/340-workgroup>.
