*75 actionable recommendations
in the areas of:*

- Stigma
- Parity
- Workforce
- Prevention
- Harm Reduction
- Treatment & Recovery
- Specialty populations
- Data Measurement & System Linkage

RecoveryOhio Crisis Recommendations

- Explore crisis infrastructure models
- Support hospitals in engaging patients and their families with treatment and recovery supports
- Review and expand the civil commitment process and the role of involuntary treatment in helping individuals and families experiencing mental health and addiction crises to access services
- Streamline information sharing to ease collaboration and improve care

- S** Safety Protection Orders
- T** Thorough Background Checks
- R** Rigorous Due Process
- O** Ongoing Help to Those in Crisis
- N** New State Background Checks
- G** Greater Penalties for Gun Crimes

STRONGOhio strives to give hospitals and courts a better ability to help those who are legally declared to be a danger to themselves or others due to drug dependency or chronic alcoholism, reduces barriers that families experience when petitioning the probate court for court-ordered treatment, and increases hospital capacity through civil commitment.
